The Recruitment Committee

ANC Parliamentary Caucus

Parliament of South Africa

Cape Town

RE: APPLICATION FOR THE POSITION OF STUDY GROUP SECRETARY (LOCATION: CAPE TOWN)

Dear Members of the Recruitment Committee,

Please accept this letter and the attached curriculum vitae as my formal application for the position of Study Group Secretary within the ANC Parliamentary Caucus, as advertised. As a loyal and active member of the African National Congress (ANC) in good standing, I am deeply committed to the policies, programs, and organizational strategies of our movement. I am eager to apply my administrative operations experience, advanced computer literacy, and organizational skills to support our Members of Parliament (MPs) and the Office of the Chief Whip.

The duties outlined in the job description align perfectly with my background in operations management, record-keeping, and information systems:

- Proven Administrative and Diary Management Experience: In my role at Sefatsa Guest House (Pty) Ltd, I successfully managed day-to-day operations, prepared quotations and invoices, oversaw tenant contracts, and coordinated vendor procurement. I am highly skilled at diary management, organizing calendars, prioritizing appointments, and handling institutional emails-skills directly transferable to managing the Whip's diary and arranging study group meetings.

- Advanced Information Management and Database Skills: With over five years of experience in technical development and database systems (including MySQL and MongoDB), I possess excellent technology skills. I am fully proficient in MS Word and MS Excel, and I have a strong understanding of archiving, digital filing systems, and electronic database structures. I am well-equipped to maintain an efficient, secure electronic database and filing system for the study group and Whip.

- Excellent Communication and Minute-Taking Ability: I possess a strong command of English and highly developed writing skills, which will ensure that meeting minutes, weekly reports, and quarterly briefings are compiled with accuracy and submitted to the Whip and Cluster Coordinator well within the required 24-hour turnaround time.

- Research and Problem-Solving Aptitude: Currently completing my BCom in Financial Accounting at the University of the Western Cape (UWC), I have a solid understanding of commercial policy, economics, and administrative structures. I can perform thorough desktop research to support the Whip and MPs, track critical portfolio committee matters, and manage logistical coordination with constituency field workers.

- Confidentiality and Professionalism: Throughout my career, I have handled sensitive data, financial records, and legal contracts under strict protocols. I fully understand the importance of confidentiality and discretion when working within the structures and processes of Parliament and the ANC Caucus.

I have attached my comprehensive CV and my proof of ANC membership in good standing. I welcome the opportunity to discuss how my qualifications and dedication to the ANC can contribute to the success of the Parliamentary Caucus.

Thank you for your time and consideration.

Sincerely,

Motaung Leon Lehlohonolo
